

Norway Savings Products and Services

What's the most important thing a bank can provide? Solutions. Prompt, effective, personalized solutions to any and all financial challenges facing you, your family or your business. At Norway Savings Bank, we call them **colorful solutions** because we know you'll find they do more for you and your financial situation than the solutions from other banks. We are large enough to provide the products and services you need, but small enough to provide unsurpassed service, local decision making and colorful solutions for your diverse array of financial needs.

Personal Banking

Whatever your goals are, we have a colorful solution that is just right for you. At Norway, you'll experience a fresh approach to personal banking. We have a variety of services for your financial needs that can help you get the most out of life. Whether you're looking for sound investment options for managing the cash in your portfolio, or the right mortgage or construction loan for your dream home, we're just the right fit.

Business Banking

We know Maine business and what it takes to make it grow. When you work with Norway Savings Bank, you will work with people who will build a relationship with you. Our team takes the time to get to know and care about your business and make local decisions that are timely and more informed than if they had come from a central office somewhere. We provide your business with colorful solutions for your success – solutions that are more unique, more robust and more personalized than you'll find at other banks.

Asset Management

The Norway Savings Asset Management Group has a wealth of knowledge for your financial future. This division of Norway Savings Bank provides investment management, estate planning and trust services with a unique blend of sophistication, expertise and uncomplicated Maine values. You'll receive personal attention, customized plans and colorful solutions that simplify your life and maximize your potential for the future. We do our homework, wisely managing your portfolio everyday—with diligence and integrity.
