Norway Savings Bank celebrates Saco branch relocation and grand opening

Saco branch staff at their new location: 569 Main Street, Saco

SACO, Maine – Norway Savings Bank is pleased to announce that it will be relocating its Saco branch from 4 Scamman Street in the Saco Valley Shopping Center to a new location at 569 Main Street, US Route 1 in Saco. The new branch will be officially open for business on Monday, June 7th.

This location will be Norway's first building built to LEED certification standards and the bank's second hybrid branch. Unlike a typical branch with a traditional teller line, customers will experience an open environment with service stations. The new location features many innovative banking technologies. A "smart ATM" will be on-site, providing customers with the convenience of making deposits by cash or check, 24 hours a day, without needing to use an envelope. Also, customers will use a biometric scanning system to access the safe deposit box area.

"Our new location in Saco will be much more accessible and convenient for our customers," said Faith Smith, Assistant Vice President & Saco Branch Manager. "We are looking forward to being able to better serve our customers and to forming new relationships throughout the greater Saco community."

The branch will host a grand opening community barbeque on Friday, June 18th from 11:30-2:00, rain or shine. All members of the community are welcome to attend. Prize drawings and giveaways will be available throughout the grand opening period as well.

The branch's community room will be available for local nonprofit organizations to access during and after business hours. Organizations can contact the branch directly at 207-282-6121 or toll-free 888-725-2207 to schedule a time to use the room.
