### **Norway Savings Bank celebrates Yarmouth branch grand opening**

YARMOUTH, Maine – Norway Savings Bank is pleased to announce that its 22<sup>nd</sup> branch opened for business on Monday, June 8<sup>th</sup> at 688 US Route One and Forest Falls Drive in Yarmouth.

The branch will host a grand opening community barbeque on Friday, June 26 from 11:30-2:00, rain or shine. All members of the community are welcome to attend. Prize drawings and giveaways will be available throughout the grand opening period as well.

The Yarmouth branch will be Norway's first hybrid branch. Unlike a typical bank branch with a traditional teller line, customers will experience an open environment with service stations and a team of employees who can handle any customer request at the new branch. The branch will also feature a "smart ATM," providing customers the convenience of making deposits by cash or check 24 hours a day, without needing to use an envelope.

The branch's community room will be available for local nonprofit organizations to access during and after business hours. Organizations can contact the branch directly at 846-8701 or toll-free 888-725-2207 to schedule a time to use the room.
